CARGO AIRCRAFT MANAGEMENT

A wholly-owned subsidiary of Air Transport Services Group.

HEADQUARTERS

145 Hunter Drive
Wilmington, OH 45177

Cargo Aircraft Management, Inc provides efficient and personalized service to customers currently operating or wanting to operate aircraft anywhere around the world with a focus on cargo operations. CAM specializes in providing aircraft leasing programs tailored to the individual needs of its customers, drawing from its growing fleet of Boeing 777, Boeing 767 and Boeing 757 aircraft. CAM owns all of the aircraft operated by ATSG and leases aircraft to customers globally under multi-year contracts with a schedule of fixed monthly payments.

LEADERSHIP >>

Todd France
President

Mr. France has served as Chief Commercial Officer for Air Transport Services group and

President of Cargo Aircraft Management. Prior to joining ATSG and CAM, he served as President of Airborne Maintenance & Engineering Services and its subsidiary, Pemco Conversions, since February 2020. His prior roles at Airborne included General Manager, Vice President of Business Development, Director of Business Development, and Director of Business Operations. Before joining Airborne, France held management positions at ABX Air. He received a bachelor's degree in business administration from California State University, Fresno.
