Cargo Aircraft Management, Inc provides efficient and personalized service to customers currently operating or wanting to operate aircraft anywhere around the world with a focus on cargo operations. CAM specializes in providing aircraft leasing programs tailored to the individual needs of its customers, drawing from its growing fleet of Boeing 777, Boeing 767 and Boeing 757 aircraft. CAM owns all of the aircraft operated by ATSG and leases aircraft to customers globally under multi-year contracts with a schedule of fixed monthly payments.

LEADERSHIP >>

Andy Lawrence

President

Mr. Lawrence brings more than 30 years of global aviation experience across aircraft and engine finance, leasing, trading, and commercial strategy. He most recently served as Chief Commercial Officer at TrueAero, where he led global commercial strategy across aircraft, engines, and aftermarket materials, supporting the company's growth and evolution toward a scalable leasing platform. Prior to that, Lawrence held senior leadership roles at Standard Chartered Aviation Finance, including Managing Director and Regional Head of the Americas.
