Omni Air is an FAR Part 121 certificated and IATA Operational Safety Audit registered airline that provides passenger airlift services to the U.S. Department of Defense via the Civil Reserve Air Fleet program, and is a worldwide provider of full-service passenger charter and ACMI services. Omni Air also carries passengers worldwide for a variety of private sector customers and government services firms.

LEADERSHIP >>

David Ray
President

Mr. Ray joined Omni in 2018 as its director of training before being promoted to Vice President of Operations in 2019 and Chief Operating Officer in 2021. His prior experience includes senior executive level roles in the aviation, construction, and medical industry. Ray is a licensed Airline Transport Pilot with over 13,000 flight hours.

Patricia Frank
Vice President,
Government & Commercial Business

Ms. Frank has been with Omni since June 1995. Prior to her current roles, she has held the titles of Sr. Director of Marketing, and Sr. Director of Government Programs. She also serves as the Team Lead for the Patriot Team, a group of passenger and cargo, scheduled and charter airlines committed to the Department of Defense's CRAF program. She earned a bachelor of science degree in business administration from Oklahoma State University.
