- Largest global lessor of freighter aircraft
- Integrated operational solutions to customers
- Business model minimally exposed to trade disruption or business cycle
- Long-term leases and operating contracts with blue-chip customer base
- Markets include air cargo and air express (package) transport, and ACMI and charter passenger transport for commercial and government entities
- Headquarters located at the Wilmington Air Park in Ohio, which also serves as a regional air hub for Amazon

## LEADERSHIP >>

**GREG MAYS**

***President and Chief Executive Officer***

ATSG
AIR TRANSPORT SERVICES GROUP

**As a freighter aircraft lessor that provides both cargo and passenger operations, maintenance, and support services, we value integrity as a hallmark of who we are. We bring deep industry experience and build relationships to become trusted advisors for the companies we serve.**

**To deliver on our promises, we provide world-class capabilities that meet any customer need. That includes the industry's broadest portfolio of aviation and support services, competitive costs and a proven track record of flexible, safe and reliable services that propel our customers forward.**
