AIRBORNE GLOBAL SOLUTIONS

A wholly-owned subsidiary of Air Transport Services Group.

HEADQUARTERS

145 Hunter Drive
Wilmington, OH 45177

29 EMPLOYEES WORLDWIDE

Airborne Global Solutions, Inc. (AGS) leverages the entire Air Transport Services Group (ATSG) portfolio and other solution partners to develop bundled, turn-key cargo airline solutions that are flexible, customized and built on decades of experience in global cargo airline operations. Through strategic alliances with the ATSG family of companies, which include three airlines, a maintenance repair organization and ancillary airline service providers, AGS offer a bundled solution approach to providing the right solution at the right time—anywhere in the world.

LEADERSHIP >>

Scott Glasser

Senior Vice President,
Sales & General Manager

Scott Glasser joined Airborne Global Solutions in 2009. Prior to that he had been Senior Director of Business Development for ABX Air, Inc., since 2004. He has over three decades of experience in business development in charter and airline sales. He holds a bachelor's degree from Hillsbourgh College at the University of South Florida.
